

BENCHISTA: INTERNATIONAL BENCHMARKING OF CHILDHOOD CANCER SURVIVAL BY STAGE

Newsletter No.3, December 2022

Welcome to the third edition of the BENCHISTA Newsletter. We are very grateful for your continued support and participation in the study.

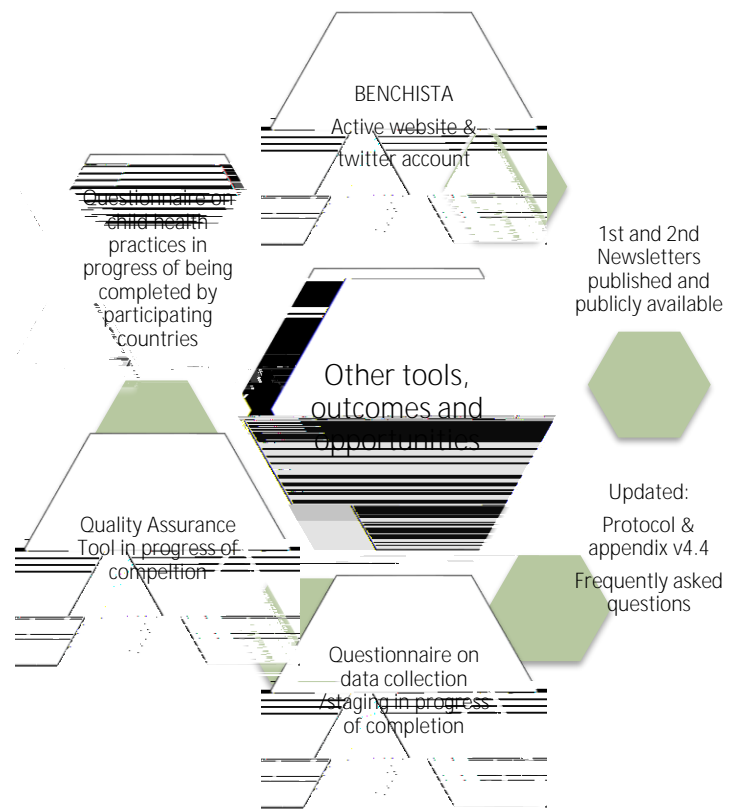

In this issue, we provide information about the project's progress, activities completed since our last update in July 2022, communication and dissemination opportunities.

The BENCHISTA Project has current participation from 69 Population-Based Cancer Registries (PBCRs) from 25 European countries, Australia, Brazil, Japan, and Canada.

To the third week of December, the data controller (INT) has received 41 databases.
