

## The UN SDGs and RIGE

As teams within RIGE, UCL Global Engagement (GE) and UCL Grand Challenges (GC) have been supporting activity addressing the SDGs through their combined *SDGs: Pathways to Achievement* funding call over the past two academic years.

The scoring criteria will include:

- Quality of the application and originality of topic and/or approach
- The extent to which the funded activity is cross-disciplinary, cross-activity and cross-boundary (academia to civil society)
- Strengths of the collaborating applicants and any external partners
- The extent to which the activity addresses one or more of the SDGs
- The extent to which the proposal is achievable within the timeframe and budget

**The deadline for applications is Monday 3 October 2022, 9am.** Funding decisions will be announced in late October / early November 2022, to enable access to awarded funds between 1 December 2022 and 31 July 2023.

## Terms and conditions

By submitting this form, applicants indicate their agreement if successful to:

- Provide a short report at the end of the academic year to describe activities, outputs, and impact.
- Permit UCL RIGE to publicise the immediate, medium, and long-term outcomes attributable to funded projects.
- Acknowledge UCL RIGE support in publications or external communications, using our visual identity guidance.

## Submitting your application

To submit your application, please read this application guidance carefully, [download and complete the application form](#) and [submit it via the online platform](#).
